3. Entrance Examination Schedule

Category	Period of Online Application and Payment of Entrance Examination Fee	Document Acceptance Period	Examination Dates <small>Please refer to the ※1 below</small>	Announcement of Examination Results
First Examination (Applicants residing in Japan/ applicants residing outside Japan)	From Monday, August 28, 2023 to Thursday, August 31, 2023	[Applicants residing in Japan] From Monday, August 28, 2023 to Thursday, August 31, 2023 (Must be post marked during the acceptance period)	Saturday, October 14, 2023	Wednesday, November 8, 2023
		[Applicants residing outside Japan] From Monday, August 28, 2023 to Monday, September 4, 2023 (No later than the end of acceptance period)		
Second Examination (Applicants residing in Japan)	From Saturday, January 6, 2024 to Thursday, January 11, 2024	From Saturday, January 6, 2024 to Thursday, January 11, 2024 (Must be post marked during the acceptance period)	Saturday, February 17, 2024	Wednesday, March 6, 2024

Note: Applicants for the Innovative Engineering course, Graduate School of Science and Engineering (Doctor's Program) shall contact the Faculty of Science and Engineering, Student Services Center, and receive the guidance from the professor of the major at least one month before the due date to apply for admission.

Entrance Examination Schedule: Applicants for the Innovative Engineering course, Graduate School of Science and Engineering (Master's Program) only

Category	First Examination <small>(Applicants residing in Japan/ applicants residing outside Japan)</small>	Second Examination <small>(Applicants residing in Japan)</small>
Application Period for First Screening	Period of Online Application and Payment of Entrance Examination Fee From Monday, August 28, 2023 to Thursday, August 31, 2023	Period of Online Application, Payment of Entrance Examination Fee and Document Acceptance From Saturday, January 6, 2024 to Thursday, January 11, 2024 (Must be post marked during the acceptance period)
	Document Acceptance Period [Applicants residing in Japan] From Monday, August 28, 2023 to Thursday, August 31, 2023 (Must be post marked during the acceptance period)	
	[Applicants residing outside Japan] From Monday, August 28, 2023 to Monday, September 4, 2023 (No later than the end of acceptance period)	
Announcement of First Screening Results	Wednesday, September 20, 2023 (The result of First Screening shall be sent by post to all applicants.)	Tuesday, January 30, 2024 (The result of First Screening shall be sent by post to all applicants.)
Application Period for Second Screening	From Wednesday, September 20, 2023 to Monday, September 25, 2023	From Tuesday, January 30, 2024 to Friday, February 2, 2024
Examination Dates of Second Screening <small>Please refer to the ※1 below</small>	Saturday, October 14, 2023	Saturday, February 17, 2024
Announcement of Second Screening Results	Wednesday, November 8, 2023	Wednesday, March 6, 2024

Note: Applicants for the Innovative Engineering course, Graduate School of Science and Engineering (Master's Program) shall contact the Faculty of Science and Engineering, Student Services Center, and receive the guidance from the professor of the major at least 45 days (First Examination) /2 months (Second Examination) before the due date to apply for admission.

※1 Supplementary examination dates: If the examinations will not be conducted on the dates above or will not be successfully completed due to disasters such as typhoons, snow, earthquakes and other special circumstances, the supplementary examinations will be conducted on the supplementary examination dates written below. In this case, we will announce a new date of examination results and a rescheduled enrollment procedure period. In addition, if the examinations on the supplementary examination dates are unable to be implemented, updated information will be notified in a timely manner.

Examination Dates	Supplementary Examination Dates
Saturday, October 14, 2023	Saturday, October 21, 2023
Saturday, February 17, 2024	Saturday, February 24, 2024

※2 You shall not apply for multiple faculties at a time, but choose one faculty per examination.

※3 Any uncertainty of your qualification shall be presented to Global Education Center more than one month prior to the first day of the online application period.

4. Requirements for applicants

(1) First half of doctorate and master's courses

- a. Applicants must not have Japanese nationality and also satisfy either of the following conditions.
 - ① Have completed 16 years of school education and have obtained a bachelor's degree outside Japan (or be expected to have completed 16 years of school education and have obtained a bachelor's degree by the end of March 2024) outside Japan.
 - ② Are recognized by Kindai University Graduate School as holding qualifications equivalent or superior to those in ① above.
 - b. Applicants should not have any study history at the educational institutions in Japan such as schools, universities or vocational schools. The vocational schools mentioned here do not include any institutions which are established in order to offer Japanese language courses.
 - c. Applicants must satisfy either of the following conditions, regarding the 'student' status as provided for under Japan's Immigration Control and Refugee Recognition Act.
 - ① Applicants residing in Japan: Applicants must possess the residence status of 'student' at the time of application, and can maintain the existing residence status until and after enrollment.
 - *Please note that you will not be allowed to take the examination if your residence status expires or changes before enrolment, even after the application.
 - ② Applicants residing outside Japan: They must not possess any status of residence provided by the Japanese government at the time of application and also will be eligible to obtain a 'student' status upon entering Kindai University.
 - d. Applicants must take all the EJU subject tests required by each graduate school.
 - *EJU: Examination for Japanese University Admission for International Students. This is a test administered by Japan Student Services Organization (JASSO).
- *Applicants for Japanese Literature, Interdisciplinary Human Studies must score 40 or higher on Writing and 350 or higher in total in "Japanese as a Foreign Language" in the Examination for Japanese University Admission for International Students (EJU). Regarding applicants for English Linguistics and Literature, Social and Cultural Studies, and Psychology Studies, it is desirable to score 300 or higher in total in "Japanese as a Foreign Language" in the EJU.

(2) Second-half doctorate courses

- a. Applicants must not have Japanese nationality and also satisfy either of the following conditions.
 - ① Have obtained (or be expected to have obtained by the end of March 2024) a master's degree outside Japan.
 - ② Are recognized by Kindai University Graduate School as holding qualifications equivalent or superior to those in ① above.
- b. Applicants should not have any study history at the educational institutions in Japan such as schools, universities or vocational schools. The vocational schools mentioned here do not include any institutions which are established in order to offer Japanese language courses.
- c. Applicants must satisfy either of the following conditions, regarding the 'student' status as provided for under Japan's Immigration Control and Refugee Recognition Act.
 - ① Applicants residing in Japan: Applicants must possess the residence status of 'student' at the time of application, and can maintain the existing residence status until and after enrollment.
 - *Please note that you will not be allowed to take the examination if your residence status expires or changes before enrolment, even after the application.
 - ② Applicants residing outside Japan: They must not possess any status of residence provided by the Japanese government at the time of application and also will be eligible to obtain a 'student' status upon entering Kindai University.
- d. Applicants must take all the EJU subject tests required by each graduate school.
 - *EJU: Examination for Japanese University Admission for International Students. This is a test administered by Japan Student Services Organization (JASSO).

(3) Doctorate course (Graduate School of Pharmacy)

- a. Applicants must not have Japanese nationality and also satisfy either of the following conditions.
 - ① Have completed (or will have completed by the end of March 2024) 18 years of school education outside Japan (the last course that applicants attended must be a six-year course of pharmaceutical science or equivalent).
 - ② Have completed 16 years of school education, also have completed the first half of the doctoral course or the master's course, and are recognized by Kindai University Graduate School as holding qualifications equivalent or superior to the graduates of the six-year course faculty of pharmaceutical science.
- b. Applicants should not have any study history at the educational institutions in Japan such as schools, universities or vocational schools. The vocational schools mentioned here do not include any institutions which are established in order to offer Japanese language courses.
- c. Applicants must satisfy either of the following conditions, regarding the 'student' status as provided for under Japan's Immigration Control and Refugee Recognition Act.
 - ① Applicants residing in Japan: Applicants must possess the residence status of 'student' at the time of application, and can maintain the existing residence status until and after enrollment.
 - *Please note that you will not be allowed to take the examination if your residence status expires or changes before enrolment, even after the application.

- ② Applicants residing outside Japan: They must not possess any status of residence provided by the Japanese government at the time of application and also will be eligible to obtain a 'student' status upon entering Kindai University.
- d. Applicants must take all the EJU subject tests required by each graduate school.
 *EJU: Examination for Japanese University Admission for International Students. This is a test administered by Japan Student Services Organization (JASSO).

(Notice:)

1. Applicants must confirm appropriate teachers listed and the specialization subjects. Please refer to List of Subjects.
<https://www.kindai.ac.jp/campus-life/international-exchange/foreign-student/exam/>
 ※For any unclear points, please refer to the contact information on page 1.
2. A non-Japanese applicant who is a graduate or a prospective graduate of any Japanese university undergraduate school and who wishes to register for a first-half doctorate, master's, or doctorate course (Graduate School of Pharmacy and Medical Sciences) will not be allowed to apply for the International Student entrance examination. Furthermore, a non-Japanese applicant who is a graduate or prospective graduate of any Japanese university graduate school (a first-half doctorate course or a master's course) and who wishes to register for a second-half doctorate course will not be allowed to apply for the International Students entrance examination. In such cases, the applicant needs to take a general entrance examination for graduate schools of Kindai University. For more information, please contact the office of each school.
3. Security Export Control: Kindai University has established "Kindai University Rules on Security Export Control" in accordance with the Foreign Exchange and Foreign Trade Act, and conducts strict screening upon the acceptance of international students, etc. Please note that the university may request international applicants to change the education and study contents of their research. At the time of enrollment, international students need to submit a "Pledge on security export control".
4. Both applicants residing outside Japan and those in Japan can apply for the First examination.
5. Only the applicants residing in Japan can apply for the Second examination.

5. Application procedures

(1) How to apply

After visiting the web site for the internet application, entering the necessary information and pay the appropriate amount of the entrance examination fee, the applicant shall mail all application documents to the Global Education Center. Please use the downloaded return address sheet, glue it to the surface of the envelope you have and send it by express registered mail (Kan-i Kakitome Sokutatsu), or by international express courier service (DHL, OCS, etc.) upon submitting from abroad.

(2) Entrance examination fee

32,000 yen (Applicants for the Innovative Engineering course, Graduate School of Science and Engineering (Master's Program): 12,000 yen for First Screening, 20,000 yen for Second Screening)

When you pay the entrance examination fee, you must access the web site below and follow the instructions on each screen.

(<https://www.kindai.ac.jp/campus-life/international-exchange/foreign-student/exam/>)

You can choose one of the payment methods: bank transfer, payment at the convenience store or payment by credit card.

The entrance examination fee once payed will not be refunded.

However, if the application is not accepted due to incomplete application documents, non-submission, arrival after the deadline, etc., the entrance examination fee will be refunded.

(3) Contact Information:

Global Education Center, Kindai University,
 Higashi-Osaka Campus 2nd Floor of Building No.1
 Address : 3-4-1 Kowakae, Higashiosaka, Osaka 577-8502 Japan
 Tel (Main) : 06-4307-3081 (From overseas: +81-6-4307-3081)
 Fax : 06-6729-2387 (From overseas: +81-6-6729-2387)
 E-mail : isc@itp.kindai.ac.jp
 Business hours: Mon. thru Fri. 9:00 a.m. to 5:00 p.m.
 (Closed on Saturdays, Sundays and national holidays)

(4) Notice

- ※1 They will not be accepted if brought in person to the Global Education Center.
- ※2 Even if the entrance examination fee is payed within the said period, we cannot accept the application if the package of application does not arrive during the application period or the application documents do not meet the requirements stated in this guide.
- ※3 We will not accept applications arriving after the document acceptance period, even if the delay is caused by problems for which applicant is not responsible (e.g. postal service errors etc.).
- ※4 We will not bear any responsibility for delay nor non-delivery of the documents incurred through postal service errors.
- ※5 Application documents once submitted will not be returned to the applicants, even if the application is not accepted. (All documentation will be stored for a certain period as a record of the proceedings and then disposed of appropriately.)

※6 Enquiries made after the application may not be answered.

(5) Flowchart (Enter the data on the web→pay the application fee→submit the documents)

※A part of the flowchart below is subject to change without notice.

1. Preparation

Please prepare necessary documents well in advance.

2. Visit the web site for the internet application.

Please go to the web site below and click the banner “出願する (shutsugan suru)”.
<https://www.kindai.ac.jp/campus-life/international-exchange/foreign-student/exam/>
Please read carefully the instructions on the first page.

3. Application

Please follow the instructions and start from ① Application Information Entry to ② Personal Data Entry

Upon the completion of your registration and application fee remittance, the e-mail will be automatically sent and notify you that the procedure has been completed. If your e-mail is mobile phone e-mail, please put the settings of the mobile phone that allow to receive e-mail from the domain “@webshutsugan.com”. Please be careful that the confirmation e-mail will not be classified as junk e-mail.

4. How to pay the application fee

Please select how to pay the application fee on the information entry page. The handling charge should be additionally paid.

① Payment at the convenience stores

Cash Payment only

② Payment by Credit Card

You must enter the information written on your credit card. Please have your card ready before you start the application procedure. Only the lump-sum payment is available. Please check your payment limit in advance.

③ Bank ATM 【Pay-easy】

You can pay by the ATM with “Pay-easy” sign at the banks listed on the web site below.
https://www.well-net.jp/multi/financial_list/index.html

④ Online banking

The following logos show some of the banks that have online banking service. You must have an account at the financial institutions in advance.

5. Submit the documents

Please print the admission application form from the registration completion page and glue your photo to it. Open the “address sticker”, print it and glue to the envelope. Please put the other necessary documents together with the printed form in the envelope and mail it by Kan-i kakitome sokutatsu (registered express mail) before the deadline.

〒577-8502
大阪府東大阪市小若江3-4-1
近畿大学グローバルエデュケーションセンター 御中

Mailing address: 3-4-1 Kowakae
Higashiosaka Osaka 577-8502 Japan
Global Education Center, Kindai University

If you don't have a printer or are unable to print, please write the address on the envelope by hand.

Note:

- Applications will be completed with the registration on the web, the payment of the application fee and the submission of the documents.
- For applicants of the Master's Program of the Innovative Engineering Course:
Only those who have successfully passed the first screening are notified of the application procedure of the second screening.

6. Application documents

(1) First-half doctorate courses, master's courses, doctorate courses (Graduate School of Pharmacy)

Documents to be submitted	Special remarks
①Application Form (Form A)	Applicants themselves need to fill out this form with a black ballpoint pen, and affix their signatures. ●One color photo needs to be pasted on the form.
②Admission Application	Applicants must enter the data accurately in accordance with the instructions. ●One color photo needs to be pasted on the form.
③Research project plan [Applicants for applicable graduate school(s) only]	Graduate School of Commerce: Any format on A4 size is acceptable. Your research theme and research project plan must be included in it. The plan should be 500 letters long. Your research theme must be based on your research subject (seminar) you will take. Must have a consultation with the professor of your research subject (seminar) or contact the Faculty of Business Administration, Student Services Center before application. Graduate School of Economics: Any format on A4 size is acceptable. Your research theme and research project plan must be included in it. The plan should be 500 letters long. Your research theme must be based on your research subject (seminar) you will take. Graduate School of Interdisciplinary Human Studies: Any format on A4 size is acceptable. Write your research project plan which is about 1,200 letters long. This must be based on your research subject (seminar) you will take.
④Short Essay (prescribed form) [Applicants for the Innovative Engineering course, Graduate School of Science and Engineering only]	Theme: Your passion for Monodzukuri and your research project plan Format: The short essay must be typed in one page, attached with a cover sheet. 40 lines per 1 sheet, font size 11 point
⑤Copy of the transcript of the subject "Japanese as a Foreign Language" administered by Examination for Japanese University Admission for International Students (EJU)	[Applicants for the first examination] One of the following EJU sessions is acceptable: 2 nd session in 2022 or 1 st session in 2023 [Applicants for the second examination] One of the following EJU sessions is acceptable: 1 st session in 2023 or 2 nd session in 2023 ●The transcript should be printed on A4 horizontal format. ●Only those who took the EJU outside Japan are permitted to submit a copy of their transcript (Seiseki-Tsuchisho).
⑥Copy of certificate of English proficiency [Applicants for applicable graduate school(s) only]	Graduate School of Commerce: One of the following test score is acceptable: TOEFL iBT [®] , TOEFL CBT [®] , TOEIC [®] , TOEIC [®] IP, IELTS [™] or The EIKEN Test in Practical English Proficiency (The score substitutes for conducting Foreign Language exam). The score shall be taken within 2 years before the due date for application. Graduate School of Economics: One of the following test score is acceptable (if any): TOEFL iBT [®] , TOEFL CBT [®] , TOEIC [®] , TOEIC [®] IP, IELTS [™] or The EIKEN Test in Practical English Proficiency (The score does not substitute for conducting Foreign Language exam). The score shall be taken within 2 years before the due date for application.
⑦Certificate of Residence	The certificate must be an original issued within three months of the application date and must include nationality, the status and duration of residence of the applicant. The expiration date of the period of stay for the status of residence must be after the examination date. ●For applicants residing outside Japan: Copies of the pages in your passport clearly showing your name and photo.
⑧Certificate of graduation (or prospective graduation) of the last university you attended in your home country	The certificate issued by the university you graduated ●In the event that certificate/diploma written in a language other than Japanese, English, or Chinese are to be submitted, applicants must submit the Japanese or English translations of the said documents thereto.
⑨Certificate of bachelor's degree [Certificate of expected bachelor's degree for prospective degree holders]	Bachelor's degree holders must submit their certificate. The certificate must be issued by the last university attended. If you are expected to obtain a bachelor's degree and your home university issues a certificate of prospective bachelor's degree, please submit it. Submission is not required if ⑧ Certificate of graduation (or prospective graduation) includes proof of acquisition (or expected acquisition) of a bachelor's degree. ●In the event that the certificate is written in a language other than Japanese, English or Chinese, a Japanese or English translation must be submitted with the original certificate.
⑩Official transcript from the last university you attended in your home country	The certificate showing the results for all subjects taken during the period of attendance and having been issued by the university you graduated ●In the event that certificate written in a language other than Japanese, English, or Chinese are to be submitted, applicants must attach the Japanese or English translations of the said documents thereto.
⑪Certificate of prospective completion from the educational institution currently you attend. [For applicants residing in Japan]	In the event that you cannot submit the certificate of prospective completion, please submit a certificate of enrollment. In each case, the certificate needs to be prepared just before the application.
⑫Official transcript and Certificate of completion and attendance from the educational institution currently you attend. [For applicants residing in Japan]	The certificate must be in a form prescribed by the school and must include grades and attendance rate. It needs to be prepared just before the application.

(2) Second-half doctorate courses

Documents to be submitted	Special remarks
①Application Form (Form A)	Applicants themselves need to fill out this form with a black ballpoint pen, and affix their signatures. ● One color photo needs to be pasted on the form.
②Admission Application	Applicants must enter the data accurately in accordance with the instructions. ● One color photo needs to be pasted on the form.
③Summary of a master's thesis in Japanese or English	When you have not completed master's course yet, the interim report of the master's thesis is necessary. (The summary should be about 2 sheets of A4 size copy paper long.)
④Copy of the transcript of the subject "Japanese as a Foreign Language" administered by Examination for Japanese University Admission for International Students (EJU)	[Applicants for the first examination] One of the following EJU sessions is acceptable: 2 nd session in 2022 or 1 st session in 2023 [Applicants for the second examination] One of the following EJU sessions is acceptable: 1 st session in 2023 or 2 nd session in 2023 ● The transcript should be printed on A4 horizontal format. ● Only those who took the EJU outside Japan are permitted to submit a copy of their transcript (Seiseki-Tsuchisho).
⑤Certificate of Residence	The certificate must be an original issued within three months of the application date and must include nationality, the status and duration of residence of the applicant. The expiration date of the period of stay for the status of residence must be after the examination date. ● For applicants residing outside Japan: Copies of the pages in your passport clearly showing your name and photo.
⑥Certificate of completion (or prospective completion) of the first-half doctorate or master's course you attended in your home country	The certificate issued by the institution you graduated ● In the event that certificate/diploma written in a language other than Japanese, English, or Chinese are to be submitted, applicants must submit the Japanese or English translations of the said documents thereto.
⑦Certificate of master's degree [Certificate of expected master's degree for prospective degree holders]	Master's degree holders must submit their certificate. The certificate must be issued by the last university attended. If you are expected to obtain a master's degree and your home university issues a certificate of prospective master's degree, please submit it. Submission is not required if ⑥ Certificate of completion (or prospective completion) includes proof of acquisition (or expected acquisition) of a master's degree. ● In the event that the certificate is written in a language other than Japanese, English or Chinese, a Japanese or English translation must be submitted with the original certificate.
⑧Official transcript from the first-half doctorate or master's course you attended in your home country	The certificate showing the results for all subjects taken during the period of attendance and having been issued by the institution you graduated ● In the event that certificate written in a language other than Japanese, English, or Chinese are to be submitted, applicants must attach the Japanese or English translations of the said documents thereto.
⑨Certificate of prospective completion or certificate of enrollment from the educational institution currently you attend. [For applicants residing in Japan]	In the event that you cannot submit the certificate of prospective completion, please submit a certificate of enrollment. In each case, the certificate needs to be prepared just before the application.
⑩Official transcript and Certificate of completion and attendance from the educational institution currently you attend. [For applicants residing in Japan]	The form of the certificate needs to be prescribed by the school, and be prepared just before the application.

Notes refer to both (1) First-half doctorate courses, master's courses, doctorate courses (Graduate School of Pharmacy) and (2) Second-half doctorate courses:

- * You can download prescribed forms from the web site below.
(<https://www.kindai.ac.jp/campus-life/international-exchange/foreign-student/exam/>)
- * Applicants must fill out the name that appears on the certificate of residence or passport (for those living overseas) on each application document.
- * Incomplete applications with missing documents and/or inadequate information are rejected. The application without consistency in the information submitted is not accepted either.
- * If the academic background, educational background of the Japanese language, nationality, or the contents of any of the submitted application documents are proved to be false or misleading at a later date, the applicant's enrollment in the university may be canceled even if the enrollment procedures have been completed after the applicant has passed the entrance examinations.

7. Examination card

The examination card shall be sent a week before the examination date. Please contact the Global Education Center if you do not receive your examination card three days before the examination date.

8. Selection method • Exam subjects • Exam day schedule • Point allocation

EJU (Japanese)

EJU accepted for each examination	
First Exam	One of the following EJU sessions is acceptable. 2 nd session in 2022 or 1 st session in 2023
Second Exam	One of the following EJU sessions is acceptable. 1 st session in 2023 or 2 nd session in 2023

Language used in the examinations: All examinations will be conducted in Japanese excluding the examinations with notes.

Graduate School of Law (First and Second Examinations)

9. Instructions on the examination day

- ① Examinees shall directly enter the designated site for the examination as written on their examination card before the time assigned by each graduate school and shall sit in the seat with the designated examinee's number.
- ② Examinees must bring the examination card with them. Should it be lost or left behind, the examinees must notify the front office of the examination.
- ③ Only a black HB pencil or a mechanical pencil is allowed. Each examinee has to bring an eraser and a pencil sharpener with them.
- ④ Rulers, compasses, watches with a calculator or dictionary, and electronic calculators are not allowed.
- ⑤ Examinees must follow the instructions of the proctors at the examination sites.
- ⑥ If examinees bring a mobile phone, they must turn off the power. The use of a mobile phone as a watch is not allowed, so each examinee must bring a wristwatch.
- ⑦ Examinees found to be acting dishonest during the examinations shall be ejected from the examination sites, and all subjects will be nullified. In case examinees skip even one subject, all of the examinations will be nullified.
- ⑧ Every examinee has to prepare his / her own lunch on the examination day.
- ⑨ Applicants who appear at the examination room 30 minutes after the starting time of the exam shall not be allowed to sit for the exam in any subject.
- ⑩ Examinees will not be allowed to exit the room during the examination. However, in case of a special case, such that an examinee become sick, they shall notify the proctor in the examination room.

10. Announcement of examination results

A letter of notification on the results of the entrance examination shall be sent by post to all applicants. For all successful applicants, a set of documents required for enrollment procedures shall be enclosed.

Kindai University shall not answer any inquires by telephone or mail regarding the examination results.

11. Enrollment procedure

(1) Procedure

Regarding the enrollment procedure, please refer to the letter of notification on the results of entrance examination and enclosed documents mailed to you.

(2) Schedule for enrollment procedures

Type of examination	Period of time for enrollment procedures	Payment method for enrollment
First Examination	<p>First period Wednesday, November 8 to Wednesday, November 29, 2023</p> <p>Second period Wednesday, November 8, 2023 to Tuesday, January 9, 2024</p>	<p>[Method for payment in a lump sum] Enrollment fee, first-semester tuition fee, and other necessary expenses need to be paid in a lump sum during the first enrollment procedure period.</p> <p>[Method for payment in two installments] The enrollment application fee needs to be paid during the first enrollment procedure period, and first-semester tuition fee and other necessary expenses need to be paid during the second period. At the time when the necessary tuition fee and other expenses required for enrollment procedures are paid in full, the enrollment application fee shall be treated as the enrollment fee.</p>
Second Examination	<p>Wednesday, March 6 to Tuesday, March 12, 2024</p>	<p>(Payment in a lump sum only) Enrollment fee, first-semester tuition fee, and other necessary expenses must be paid in a lump sum</p>

12. Cancellation of enrollment

When those who have completed the enrollment procedures wish to decline an admission to the university, they must proceed the designated enrollment cancellation procedure.

The cancellation and refund request form is enclosed in the entrance procedure package.

(Note 1) When a Certificate of Eligibility is not issued to those residing outside Japan, the university will return the paid-in school fees (including the entrance fee). Even though you obtain the Certificate of Eligibility, if you are not able to enter Japan, the university will return the paid-in school fees except the entrance fee.

(Note 2) We do not accept the refund request form once the deadline expires.

13. The list of tuition fees and other expenses (For students enrolling for 2024)

(1) First-half doctorate and master's courses

(Unit: Yen)

Graduate School		Enrollment fee	Tuition fee (first semester)	Student health insurance fee	Year total	Total at enrollment
Law Commerce Economics Interdisciplinary Human Studies	First year	200,000	700,000 (350,000)	6,500	906,500	556,500
	Second year	—	750,000 (375,000)	6,500	756,500	—
Science and Engineering Pharmacy (Pharmaceutical Sciences)	First year	200,000	950,000 (475,000)	6,500	1,156,500	681,500

Total	2	2	2

(As of April 1, 2023)

15. Result of the Kindai University International Student Scholarship in 2023

- (1) Scholarship (for freshman): The tuition fee is entirely exempted. This is granted to a student who has scored more than 80 % on the entrance examination for international students and ranked in an upper group. If the student has achieved an excellent result after the first year in the graduate school, the scholarship is granted continuously. 1 student was qualified.
- (2) Category 1 benefit (for freshman): The amount equivalent to the entrance fee (a lump sum) is awarded to those achieving outstanding results on their international student entrance examination. No student was qualified.
- (3) Category 2 benefit (for sophomore or higher): 80,000 yen per month (For one year except for August and September) for students achieving outstanding academic results while graduate students. 2 students were qualified.

16. Application for Certificate of Eligibility (Please read carefully before application)

[Applicants living outside Japan]

In order for students to stay in Japan for the purpose of study, it is necessary to obtain resident status of 'student'. Applicants shall apply to the Ministry of Justice, Immigration Bureau, for the Certificate of Eligibility to obtain resident status of 'student'. After the issuance, the applicants themselves need to begin the procedures to obtain visa at a Japanese embassy or consulate in their home country.

◎ Application for the Certificate of Eligibility are made by Kindai University on behalf of applicants.

Applicants can request the university to make application to obtain the Certificate of Eligibility on their behalf by submitting all documents relevant to the application for the Certificate of Eligibility at the time of the enrollment procedures. Applicants cannot lodge a protest against the decision and/ or the result of the application. The information about the documents relevant to the application for the Certificate of Eligibility needed at the time of the application made by the university on behalf of the applicants shall be given to successful applicants separately.
