授業到達目標の達成度	The classes went well and the majority of the students demonstrated overall progress.						
反省点	I would like to have proceeded a little faster over the semester however due to the varied level within the class it wasn't possible.						
来年度の計画	This will depend on the stuents taking the class, both text an content may change.						
授業評価アンケートに対するコメント	Most of the comments were very positive. Many of the students said they did little or no homework...they need to take more responsibility for their studies.
